CIRCULAR

This is with reference to earlier office order dated 27th March, 2020 regarding suspension of all classes of the students in New Delhi and 4 Centres till 14.04.2020. It has come to our knowledge that as per the directions of respective State Governments, most of the Educational Institutions have suspended their Classroom Teaching till end of this month. Various measures are also being taken by the Government to contain the spread of Covid 19 Virus.

In view of above and in continuation of earlier office orders, it has been decided to extend the suspension of class room teaching and personal contact session in NSD, New Delhi and its four centre located in Agartala, Gangtok, Bengaluru and Varanasi till 30 April 2020. However, the students are required to continue to do their assignment and projects, if any, given to them online by the concerned Faculty members/ Centres Directors. The situation will be reviewed and information regarding conducting of classes will be uploaded on NSD Website in last week of April. Students are requested to keep watching NSD Website for updates.
